It quickly became clear that retired General George "No Surrender" Summers was the wrong choice to teach the new members class.

End of Life Bill

Parliament is asking for people's views on a proposed law to legalise assisted suicide - by 20 February.

Submissions and communications to MPs don't count unless they were sent to this new Committee after 14 December 2017.

Parliament's new Justice Committee needs to receive:
'quality' submissions: detailed analyses by experts, and
'quantity' submissions: thousands of short ones that can be done in 5 minutes.

Then Moses led Israel from the Red Sea and they went into the Desert of Shur. For three days they traveled in the desert without finding water.

When they came to Marah, they could not drink its water because it was bitter. (That is why the place is called Marah.)

So the people grumbled against Moses, saying, "What are we to drink?"

Then Moses cried out to the LORD, and the LORD showed him a piece of wood. He threw it into the water, and the water became sweet.
